Bebaak our Azaad Taraane

**BAAT 2025 is a conclave to address the challenges faced by adolescents and young people in accessing rights based, intersectional and pleasure affirmative resources and information on Comprehensive Sexuality Education (CSE).**

**This event will bring together organizations, educators, and young people to celebrate and envision the future of CSE as a tool for empowerment & equity.**

**This two-day event offers an opportunity to engage in meaningful dialogue and celebrate our shared journey:**

- **Day 1: January 29, 2025 – A day dedicated to discussions, collaborative dialogues, and innovative strategy-building to advance inclusive and accessible CSE.**
- **Day 2: January 30, 2025 – A celebration of different themes under SRHR through art and performances. The day will showcase the work of talented artists engaged in the space of working on Gender and Sexuality, creating a platform for conversation, and creative expression around important themes.**
